

Art and Design.

We will create art work in a variety of ways to add to classroom displays

Display 1—flags of the four nations—learn the primary/ secondary colours used in the flags and Makaton signs for the colours

Display 2—recreate landmarks which represent the four nations and use collage of each country as a background

Each week all children will complete session in :

- **Hydrotherapy**
- **Swing Therapy**
- **Outdoor Learning**
- **Wheelchair dancing**
- **Food Technology**
- **Art and Design**
- **Music Therapy**

Maple and Willow - Summer Term 2021

The class theme will incorporate the MAPP targets and experiential learning opportunities

- To make progress with MAPP targets with activities incorporating theme
- To experience the sensory learning sights, sounds, tastes, textures and smells
- To create a displays around the theme using independently created art work and using technology to help us learn - switches containing information to help us listen to facts about the four countries that make up the United Kingdom

The countries that make up the United Kingdom

Personal, Social and Emotional Development /SMSC

- The children will have break and lunchtimes together to encourage social interactions
- The children will develop their choice making skills through individual communication systems including being able to say no/stop
- Children will look film clips and experience some of the different and vast cultures found in the United Kingdom

Communication, Language and Literacy

- The children will develop communication in our outdoor learning sessions including finding and learning new Makaton Signs and PCS symbols to help with our theme learning
- The children will progress with communication targets by practicing daily
- The children will have story time twice a day
- Children will listen to poems from each country

RE (Festivals/Celebrations)

- The children will experience the celebrations that take place on the saints day in each of the four countries
- The children will have a virtual visit to the places of worship that are shared throughout the United Kingdom—church, synagogue etc

Mathematics

- The children will listen to and be encouraged to join in with number rhymes including numbers 1,2,3 ,4— (4 countries)
- The children will develop knowledge /experience colour
- Children will explore shape when building 3D model of landmarks
