

Dear Parent/Guardian

We hope that you have managed this last week and that you have been able to enjoy some of the nice weather. We have been adding new videos to the website and additional ideas for activities and work for the children.

As I explained in my previous letter we are reassessing our decisions daily, after careful consideration and keeping in mind government guidelines as well as the wellbeing of pupils and staff we have decided that from Monday 20th April we will open for those pupils with the most complex needs whose parents wish them to attend. This will be pupils from Willow and Maple and a small number of other pupils. We have been in contact with these families, if we have not had a conversation with you regarding your child returning to school we will not be open for them. We will reassess this again as the week progresses and if we feel your child could safely return to school and needs to due to the impact on their education we will be in touch.

I hope that you will support us with these decisions, they are being made with the best interests of everyone at heart. If you do wish to discuss anything please contact me directly and we can discuss your concerns.

I hope that you all have a peaceful and enjoyable Easter and I will be in touch at the end of next week. Keep safe and stay at home.

Stay safe and stay at home

Kind Regards

Penny Derries
