

Dear Parent/Guardian,

We hope that you are all well and that you and your families are managing lockdown as best you can.

We are managing to continue to offer the children the very best provision possible given the current situation. Each class is enjoying the work that we are doing around our theme 'The Seasons' we are trying to ensure that even though we cannot go out on the bus we bring interesting resources into school to enhance the learning and ensure that the children are interested and motivated.

We continue to update any risk assessments that we need to keep on the website and ensure that you are as well informed as possible. We may not always be able to do this straight away as government guidelines change constantly. If you need any further information that is not on the website, please feel free to contact school. We hope to have the majority of children in after the half term break.

We have not heard anything further about our bid for a new school, I have a meeting on 2 March and hope that there may be some sort of way forward. If we are remaining in this building we are going to have to look at storage and where we can go to use a sports hall, this is because our own hall is now not useable as we have to store equipment for pupils in it. We plan to ensure that the children continue to be able to access all areas of the curriculum, although this is increasingly difficult in our current building.

I hope that as the weather improves we will be able to get out walking more locally and I hope that you and your families continue to stay safe and well.

Yours Sincerely

Mrs Penny Derries

What have we been up to this term in Maple/ Willow.....

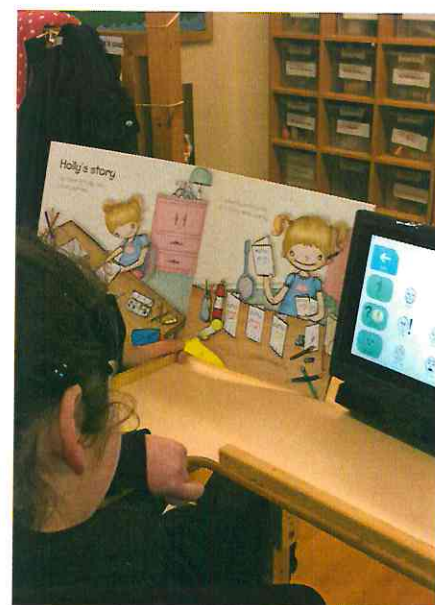

Maple/Willow have been dressing up and celebrating 'Burns Night'

We have been learning to share our toys.

We have been using technology to help us in story telling time.

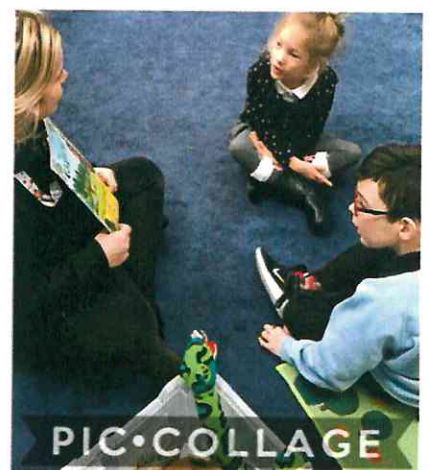

We have been using the new wedges to help us stretch and enjoy our learning.

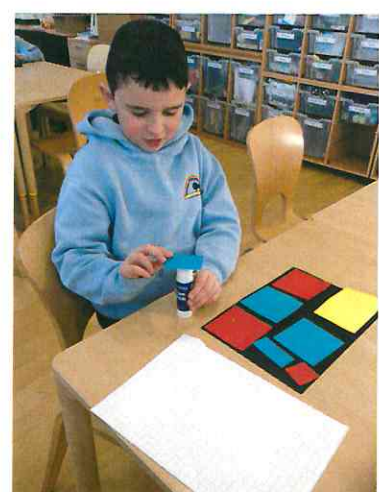

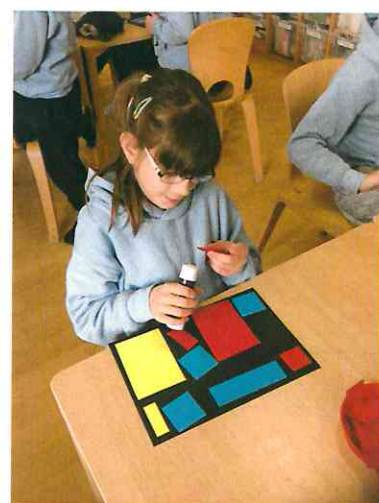

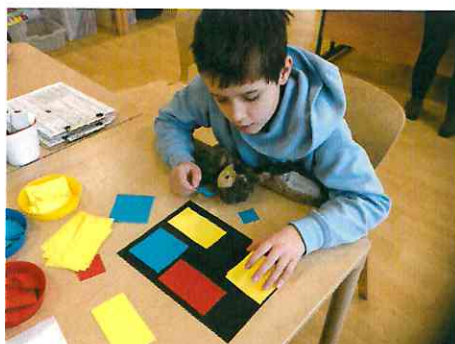

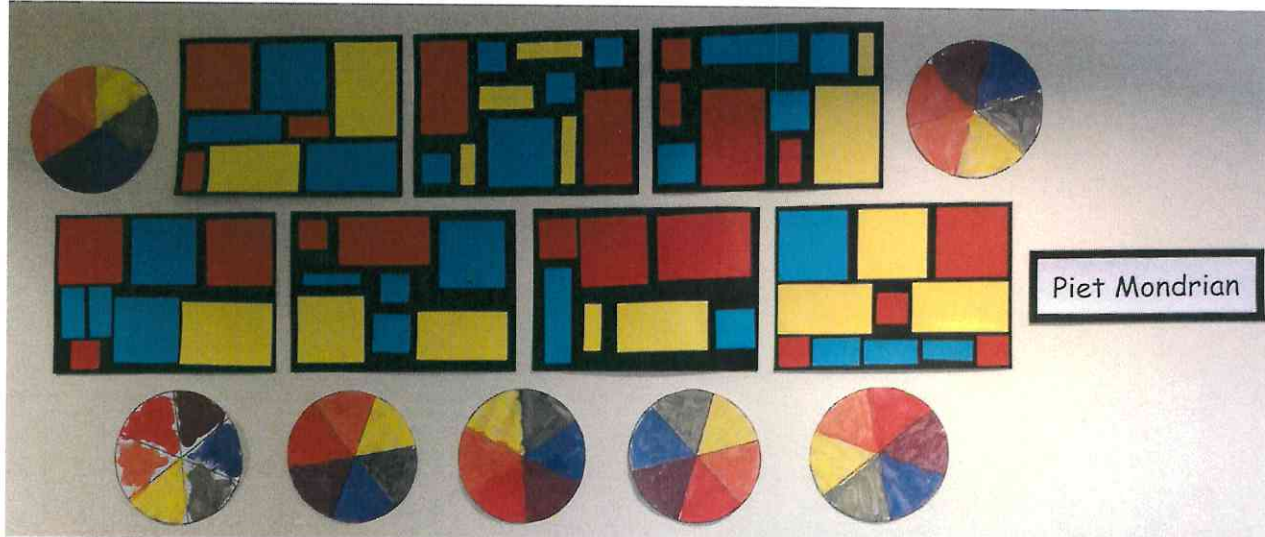

February 2021
Elm class have been
learning about weather
and the seasons. We have
loved playing in the snow
this week. We are
celebrating Valentine's
Day by baking buns and
decorating them with pink
and red icing.

PIC•COLLAGE

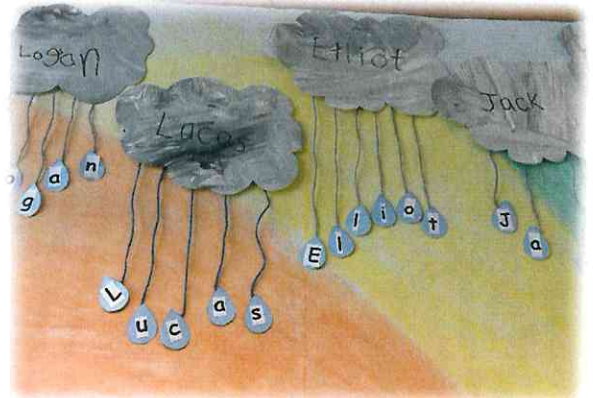

Beech Class

Beech Class have been learning about primary and secondary colours and the famous artist Piet Mondrian who used them in his work. The children have learnt about the colour wheel and how to mix secondary colours using the primary colours. They then created collages in the style of Piet Mondrian only using primary colours.

Sycamore Class News, February 2021

This term we have been learning about the seasons, weather and plant growth and putting our ideas into lovely displays in our classroom.

Newsletter

February 2021

Oak Class celebrated Robbie Burns by exploring his life and poetry. Pupils enjoyed trying on a Bonny Prince Charlie Jacket and studying the tartan kilt.

Menu

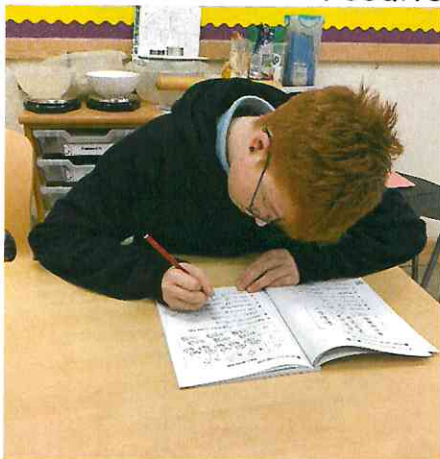

Tomato Soup

Bread Roll

Baked Potato & Salad

Salad

Students enjoyed developing their Life Skills with precise weighing while making their own lunch. The project was a great success with the students delighted with excellent results in their bread making.

Learning that Maths can be fun!

Identifying shapes and developing skills in addition.

Oak Class found that their Watercolour Painting was relaxing and therapeutic for them. They were very proud of their rain themed paintings some students considered this as possibly a new hobby for the future.

Fun in the Snow!
