Dear Headteacher

Thank you for completing the Northumberland Health and Wellbeing Audit

The health and wellbeing team confirm receipt of your school's health and wellbeing audit and that a certificate has been posted to your school.

Completion of the audit illustrates that your school recognises the links between health, wellbeing and attainment and your successful submission illustrates how your school is contributing to the statutory duty to promote the wellbeing of children and young people.

The health and wellbeing team are committed to supporting your school through our annual health and wellbeing visits and if you have not had a visit in the last 18 months please contact me so we can get this booked.

Once again, thank you to you and your staff for all the hard work involved in remaining committed to children and young people's health and wellbeing in Northumberland.

Yours Sincerely,

Angie Toni Mitchison
