

School Development Plan Objectives for Speech, Language and Communication: 2019-2020

Aim	Objective	Target group	Action	Who is responsible?	Dates	Evidence
Pupils will be supported to express their views about their experience of school at a level appropriate to their development and learning stage.	To support class leads in supporting pupils to communicate using their preferred method of communication (e.g., voice, eye-gaze, symbols) at a level appropriate to their development.	Pupils	<ul style="list-style-type: none"> <li>To meet with class leads to develop methods of gathering pupil views</li> <li>To ensure that pupils who are non-verbal have access to a method of communicating their views</li> <li>To consult with Sue Emery for specialist advice regarding communication methods as required</li> </ul>	V. Henry	Started September 2019; Completed by June 2020.	<p>Evidence of pupils' views will be in a variety of formats depending on the method appropriate to the individual, e.g., talking mats, video, eye gaze, photos, written.</p> <p>Evidence in IEPs.</p> <p>Pupil views recorded in the Annual EHCP Review process.</p>
