## **Sycamore Class Timetable 2022/23**

- Pupils follow an individualised curriculum based on their MAPP targets. The timetable is flexible in order to meet the needs of pupils, individually and in small groups.
- Sensory learning activities are organised each day sensory exploration, movement, music indoors and outdoors. Sensory and movement learning is in purple.
- Reading activities each day functional reading; reading for enjoyment; participation in story telling; reading aloud to an adult.
- Maths is incorporated into register, cooking, movement/P.E, snack time as well as specific maths-based learning activities.
- · Afternoons usually involve art based learning; cookery; movement and music; and sensory learning
- Business activities incorporate maths, communication, literacy, cooking, working together, motor skills. Business learning is in red
- PHSE occurs throughout our day as well as in specific learning activities. Communication learning is integral to pupils' learning.
