Photograph Consent Form

Name of child: -

Occasionally we may take photographs of the children at our school. We use these images as part of our school displays and sometimes in other printed publications. We will also use them on our school website.

If we use photographs of individual pupils, we will not use the name of that child in the accompanying text or photo caption. If we name a pupil in the text, we will not use a photograph of that child to accompany the article. If a child has won an award and the parent would like the name of their child to accompany their picture we will obtain permission from the parent before using the image.

Learning journeys and records of Achievement are used to celebrate your child's progress throughout school. These are sent home photographs of individuals, groups or classes of children may appear in these records.

From time to time, our school may be visited by the media who will take photos or film footage of a high profile event. Children may appear in these images, which will sometimes be published in local or national newspapers or on approved websites.

To comply with the Data Protection Act 1988, we need your permission before we can photograph or make any recordings of your child. Please answer the questions below, then sign and date the form where shown and returning the completed form to school.
