

Dear Parent/Guardian,

We move towards the end of another academic year, it has gone past so quickly. We have had a very successful year, with children joining us as well as a few leaving.

We will have two of our staff off on maternity leave next year, Donna and Kayleigh are both going to be off having their second babies, we will let you know when they are here safely. Charley who was covering for a year's maternity will be leaving us and moving on to another school, we wish her well for her future career.

We will also be saying a very sad and fond farewell to Helen Rutherford, I know that you will join with me in wishing her a very happy retirement.

The planned building work should start as we finish school, I am hoping that the worst of the disruption will be finished by the time we return to school in September. We may have to deal with some finishing work when we come back but we will have a plan in place to ensure the safety of all staff and pupils if this is the case.

We will finish school at 1 pm on Friday the 19th July and children return to school at 9 am on Wednesday 4th September.

Thank you for your continued support and kindness over the past year, we wish you all a lovely summer holiday.

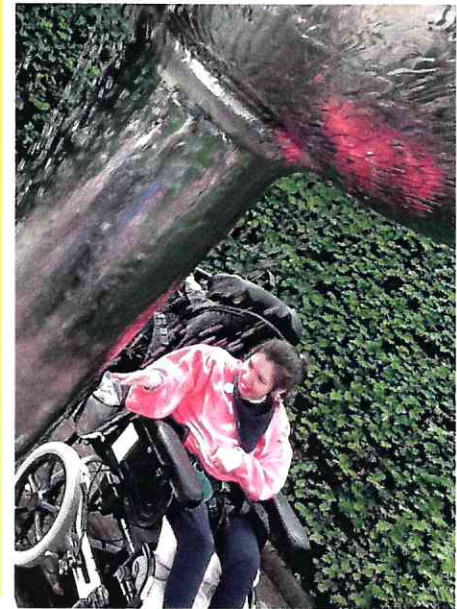

Yours Sincerely

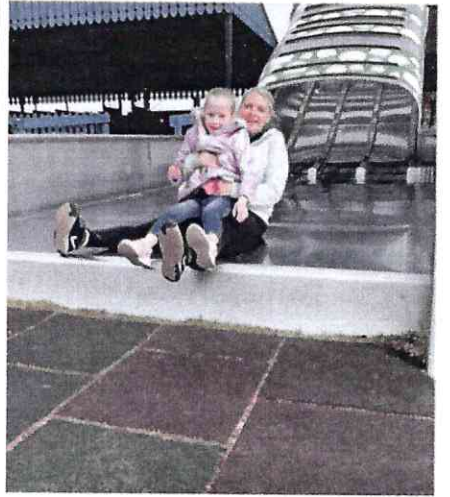

Mrs Penny Derries

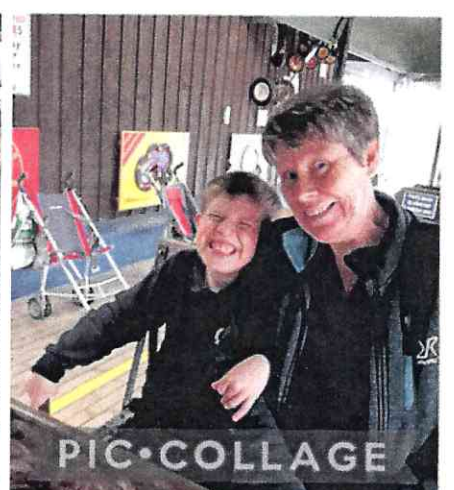

Willow Class spent the day at Alnwick Gardens for their end of term trip. It was a great day out with lots of splashing in the fountains and exploring the beautiful gardens .

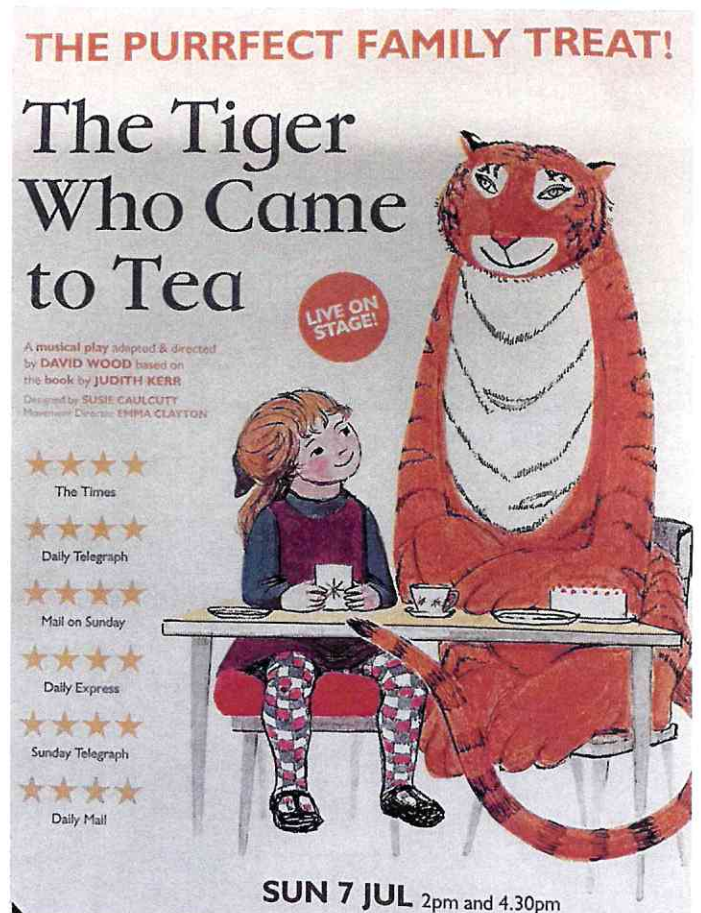

Elm class have had so much fun on our end of summer school trip. We visited East Links Family Park. We really enjoyed riding on the train, we got to feed lots of different animals. We played at the park and was very brave climbing all the way to the top to come down the big slide! 😊

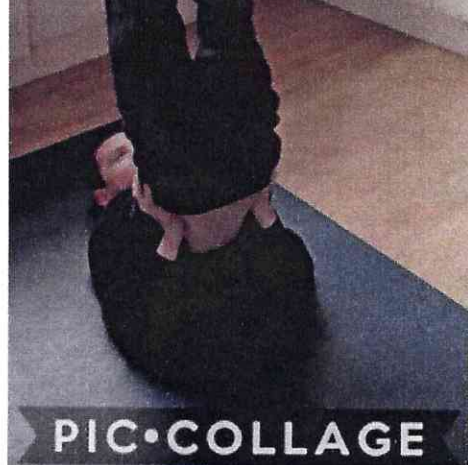

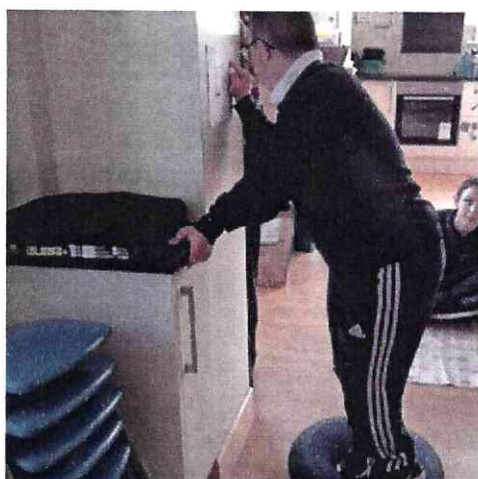

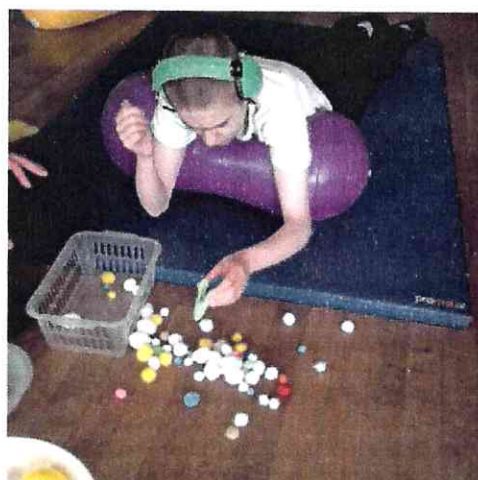

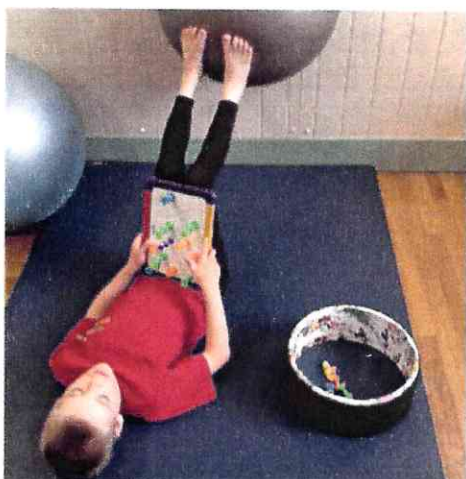

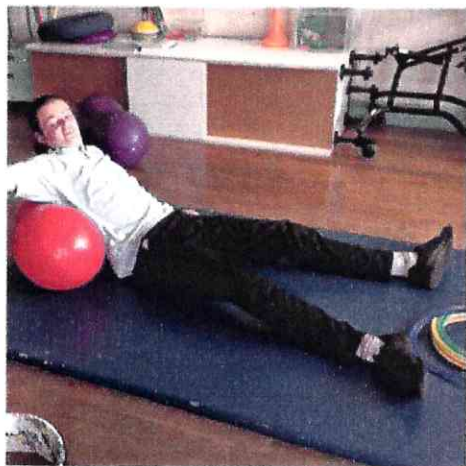

Beech Class

Beech Class had a wonderful time at 'The Tiger Who Came to Tea' at The Maltings Theatre recently. It was a lovely experience to go into the theatre and to watch as story they all know well being performed on the stage. Some children were apprehensive before going, and the darkness and some loud noises were a bit of a surprise, but all watched and joined in when appropriate. It was such a fantastic way to end the school year.

Sycamore Class July 2024

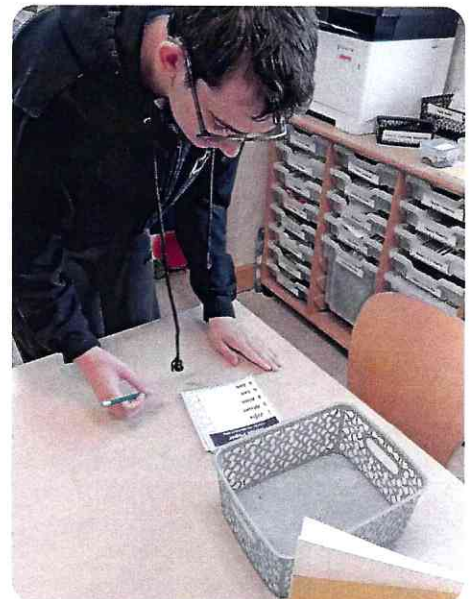

We have been working our brains and our bodies through a range of fun challenges that develop strength, motor skills and co-ordination.

PIC•COLLAGE

Oak class Summer
Term 2
Oak class have
enjoyed exploring our
local environment,
writing our
manifestos during
the election and
celebrating Emily at
our leavers lunch.

PIC • COLLAGE

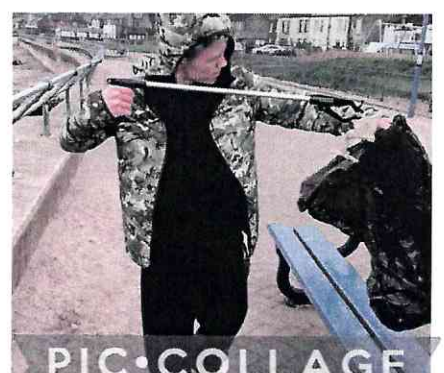

Summer Term
Oak class throughly
enjoyed our beach day,
learning first aid and
participating in Hillside
Lodges Olympic torch
relay.

PIC•COLLAGE

Summer Term 2024
Cherry class have been very busy litter picking in the local community as part of their 'Environmental Awareness' module in ASDAN PSD. Pupils have actively participated for over ten hours in a litter picking project to improve the local environment. Can you recognise any of the areas that we have litter picked?
